TEST SIEVES
Standard: BS 410, BS ISO 3310 (E-Version)

Sampler Grading

Test sieves available in 200 & 300 mm diameter with stainless steel body & either perforated plate or woven wire cloth mesh. A clear rigid design of minimum weight and free from corners where the material could be lodged. An essential feature of our test sieves is flat & uniform mesh with permanent tension round the whole circumference.
